## Midlands Society for Human Resource Management

**Who are we?** Founded in the late 1960's as the Orangeburg Personnel Manager's Group, the Midlands Society for Human Resource Management (MSHRM) is an affiliate of the nationally recognized Society for Human Resource Management (SHRM).

Whether you are new to the HR field or have many years of experience, we are a local starting point for networking, information, professional development and continued support of excellence in Human Resources.

We welcome your use of our website as a resource, and encourage you to check it frequently for updated information.

We also encourage your involvement and suggestions about all of our activities, on the web and off.

### About SHRM

### Monthly Meeting Schedule

Beginning at 12 noon, meetings are held on the first Wednesday of each month at the OC Tech Anne S. Crook Transportation and Logistics Center.

Our guest speakers are designed to create a learning environment with a direct focus on Human Resource concerns.

Guest speakers such as attorneys from various prominent law firms introduce the MSHRM members to current court cases regarding Human Resource topics;

Senators and other governmental leaders present specific HR legislation being reviewed in Congress, and many other relevant Human Resource speakers are invited with various topics.

In addition to external guest speakers, we also utilize the MSHRM membership as a resource to learn from other employer experiences.
